

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than 60 years combined experience with effectively developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to providing new design concepts and top quality to be able to meet the diverse requirements of their clients.

TREK Cleaning Machines continually offers fresh design concepts as proven in their product development. They enjoy providing items which energize both their partners and their dealers and offer production gains to their customers.

The team at TREK likes handling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' requirements and skills combined with their knowledge of cleaning applications, together with owners' strong desire to significantly lessen cost through productivity gains.

When needed, the employees within TREK and its numerous dealer members in both technical support and parts will be obtainable. One of their core values is their high service devotion in their customer service. Keeping their customers' cleaning machines ready and functioning day by day is top priority. The company's top of the line technology delivers dependable machine that ultimately reduces your cost of cleaning. The price, the service and the product all work together to be able to make them the leader in the business.
