

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand offers products, solutions and services to be able to increase the productivity and ensure efficiency in industrial, commercial and residential surroundings. They pride themselves in delivering products so as to improve the security, health, safety and comfort of people around the world through their four international segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman manufactures food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building parts support, advanced controls and services used for both residential homes and commercial buildings.

The Industrial Technologies sector of Ingersoll Rand provides solutions and products in order to enhance productivity, operations and energy efficiency for their clients. The range of products in their line comprise: pumps and tools, and material fluid handling systems to complete compressed air systems. They have also developed Club Car, the worldwide leader in utility and golf vehicles meant for people and businesses.

Popular brand names such as Schlage and Trane compromise the Residential Solutions business, providing safety, efficiency and comfort to home owners all around North America. Some of their innovative quality products consist of mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, portable security systems, advanced controls and remote home management.

The sector comprising Security Technologies offers products that ensure secure, safe and productive surroundings. This division's market leading products consist of floor and door closers, exit devices, portable security devices, electronic and biometric access control systems, cabinet hardware, steel locks, doors and frames, decorative hardware and locksets. Schlage also has products which provide attendance, personal and time scheduling systems.
